22<sup>nd</sup> January 2018

## SECTION A - DEFINITIONS & GENERAL RULES

### DC-A1 APPLICATION OF THE DISCIPLINARY CODE

The sanctions and other disciplinary measures detailed in this Disciplinary Code shall only be imposed on offenders found guilty of an offence after the case would have been processed as regulated by the ASA Statute.

### DC-A2 DEFINITIONS

The definitions and interpretations given in this section apply to the whole Disciplinary Code.

- i. In this code singular terms shall be deemed to include the plural, and masculine terms shall include the feminine.
- ii. Club shall mean a club that is affiliated with the ASA
- iii. An Athlete shall be any individual registered with the ASA. This definition holds both when the individual is participating in an event and also when he/she is not.
- iv. For Water Polo, a team official shall mean that person whose name appears on a team line-up or match-card and who remains in the team officials' designated area throughout the match (WPCR 29 refers). Should a team official need to leave the designated area he should inform the referee and/or the Jury Table. Should this be the case, the person would still be considered a Team Official (*amended 13<sup>th</sup> February 2017*).
- v. For Swimming, a team official shall mean that person who shall accompany any athlete.  
**Clarification:** An individual shall be deemed a team official only during participation, that is, immediately before, during and immediately after the event in question, and while still within the precincts of the pool. At all other times and for the purpose of this Code, these persons shall be considered to be "club committee members".
- vi. A club committee member shall mean that person who forms part of a club committee, sub-committee or some other club board.
- vii. ASA Official shall mean any Council member, any member of the Executive Committee, any member of any one of the ASA's boards, ASA employees and volunteers including coaches and pool staff, referees, goal judges, judges, time-keepers, match inspectors, starters and all those charged with an official function or other role. ASA Official shall also include Disciplinary Commissioners, as well as those individuals nominated by the Council as delegates for ASA activities.
- viii. Match Official shall include the referees, goal-judges and table officials nominated for a match.
- ix. In any venue where an ASA event or competition is being held, the restricted area shall mean those areas reserved for the referees, goal judges, the match secretariat, athletes and team officials. The restricted area also includes those sections on pool stands/terraces that are indicated to be Guest or VIP areas.

For Water Polo, athletes and team officials whose names do not feature on the match-card of any given match shall be prohibited from entering the restricted area.

For Swimming, the athletes and team officials that may enter the restricted for any particular event shall be determined by the Swimming Technical Committee.

x. A supporter is any individual who does not fall into the category of athlete, team official, club committee member or ASA official, as defined above, and who supports any given club, whether within the precincts of the pool or not.

xi. Identified Supporter means a supporter who is either identified by the person/s making a report and named in the same report, or a supporter who is identified by the committee of his/her club before a decision on the relative case is taken by the Disciplinary Commissioner. In this latter case, the identification and naming must be made in writing and presented to a member of the ASA Executive Committee.

**Clarification:** When an offence is committed by more than 1 supporter such that a number of the individuals are identified and the rest are not, action shall be taken against the identified supporter/s as specified in this Code (Identified Supporter), and, action shall also be taken against the supporters' club as specified in this Code (Supporter).

xii. In water polo, an event shall mean any given match.

xiii. In swimming, an event shall mean a single race.

xiv. When offences are committed by swimmers or Swimming Team Officials, a sanction involving match suspensions shall be interpreted as a suspension of the same number of swimming events.

xv. For Water Polo, competition shall mean any league, knock-out or other tournament, including any preliminary rounds, play-offs organised by or held under the auspices of the ASA.

For Swimming, competition shall mean league, meet or other tournament, including any heats or trials organised by or held under the auspices of the ASA.

For any ASA activity not held at the National Pool, the pool precincts shall include any area that leads to, or immediately surrounds a venue where such ASA event or competition is held (*as amended at Council 22.01.2018*).

## DC-A3            SUSPENSIONS

### i.            Effective Date of Suspensions

The date on which a suspension from all ASA activities shall come into effect shall be determined by the Disciplinary Commissioner, provided that such a suspension shall come into effect as soon as possible, while, at the same time, ensuring that the

suspension is meaningful, and further provided that the commencement of the suspension shall not be earlier than the date on which the suspension is imposed.

When a suspension from all ASA activities is confirmed, reduced, increased or otherwise modified by the Board of Appeal, the date of commencement of the said suspension shall be in line with the provisions of the preceding paragraph.

A suspension from all ASA Activities until the end of the season shall be deemed to have been served immediately before the opening of the forthcoming Annual General Meeting.

Suspensions of matches, events or competitions shall be effective immediately.

ii. Completion of Match Suspensions

Match suspensions shall be completed in the same competition in which the relative offence was committed, provided that the league and knock-out competitions for the same category shall be considered to be the same competition.

For the purpose of this article, each item in the list below represents a distinct competition such that a match suspension incurred during a match in connection with a competition in one item shall be completed in a competition in the same line. The actual competitions are defined in the Water Polo Competition Rules.

- National Water Polo Competitions;
- Super Cups;
- Winter Competitions (Seniors);
- Women’s League and Knock Out Competitions;
- U/20 Competitions (winter and summer);
- U/17 Competitions (winter and summer);
- U/15 Competitions (winter and summer);

- match suspensions incurred in friendly matches (of any category or age-group) shall be converted into fines at the rate of €50 per match suspension

The following provisions shall apply in the case that a match suspension is not fully completed in the season in which it was imposed:

- match suspensions incurred in senior competitions (National competitions, Winter competitions and Women’s competitions) shall be carried forward to the next season;
- match suspensions incurred in age-group competitions shall be converted into fines on the athletes’ clubs at the rate of €50 per match suspension;

- match suspensions incurred in tournaments shall be converted into fines on the athletes' clubs at the rate of €75 per match suspension.

iii. Suspensions from all ASA activities

During the term of a suspension from all ASA activities, the suspended individual

- Shall not be able to attend any Annual General Meeting;
- Shall not form part of the Council;
- Shall not be eligible to participate (be it as athlete or as team official) in any competitions organised by the ASA or under the auspices of the ASA;
- Shall be precluded from entering or approaching the pool or any other venue where an ASA event or competition is held. This prohibition shall not apply to athletes and coaches unless the Disciplinary Commissioner shall have decided otherwise;
- Shall not be eligible to form of a club committee or sub-committee;
- Shall not be eligible to act as club delegate.

iv. Effect of suspensions of clubs Council Members

When a club is suspended from all ASA Activities, the Council member (and his substitute) nominated by that club shall remain a Council member, yet shall lose his right to vote at Council meetings and Annual General Meetings as long as that club shall remain so suspended.

v. Suspensions from other national and international associations

The ASA recognises suspensions or other disciplinary measures imposed by :

- FINA, LEN & other associations and federations affiliated with it;
- Local associations and federations that are prepared to accept suspensions or other disciplinary measures imposed by the ASA.

vi. Should a valid appeal be lodged then the Adjudicating Board/person's decision is suspended until the case is decided upon by the Appeals Board or any other Adjudicating Boards. *(inserted 13<sup>th</sup> February 2017)*

vii. A valid reason must be given for the appellant to be excused from attending a disciplinary hearing *(inserted 13<sup>th</sup> February 2017)*

#### **DC-A4            GENERAL RULES**

i. Offences by unidentified athletes

When an offence is committed by an unidentified athlete, the applicable sanction shall be borne by the team captain, provided that such an incident shall not registered on the captain's conduct certificate.

ii. Fines

Individuals or clubs that are ordered to pay a fine shall be deemed to be suspended from all ASA activities, and shall remain so suspended, until such fine is paid.

iii. Damages

In addition to the sanction stipulated under this Code, every individual or club shall be obliged to remedy all damages sustained as a direct result of the incident for which said club or individual has been sanctioned. In case of damages caused by supporters (identified or unidentified), the club shall be responsible for such damages. Individuals or clubs that are ordered to pay such damages shall be deemed to be suspended from all ASA activities, and shall remain so suspended, until such fine is paid.

iv. Unpaid fines and damages

Where an athlete, a team official or a club committee member fails to settle any fine or damages ordered by the Disciplinary Commissioner by the end of a season, such fine or damages shall automatically become the sole liability of the club to which such athlete, team official or committee member pertains, in such a way as though said club had been ordered to pay in the first place.

v. Minor Offences

Notwithstanding the contents of this Code, clubs and/or individuals committing an offence which under this code or by its nature is not grave, may be found guilty without suffering the stipulated sanction, provided such clubs and/or individuals shall not be repeat offenders. It shall be up to the sole discretion Disciplinary Commissioner whether or not to show such leniency, provided that in applying this discretion, the Disciplinary Commissioner shall be guided by sporting justice and previous decisions if these exist.

vi. Offences not mentioned in this Code

Where an incident is committed giving rise to an offence which is however not mentioned in this Code, a sanction may nevertheless be imposed. This sanction shall be based on previous decisions involving similar offences (if these exist) and shall be in line with the spirit of this code and grounded on the principles of equity and sporting justice.

vii. Offences in the Restricted Area

An offence committed in a Restricted Area shall incur double the sanction that would otherwise apply had it been committed elsewhere.

viii. Sanctions in U/17 Competitions

No fines shall be imposed on athletes who commit an offence in a competition in which only athletes who are 17 years old or younger in the year of competition are eligible to participate. In this case, the applicable sanctions shall be suspensions.

ix. Serious injuries

Should there ever arise any doubt about the gravity of the injuries sustained in any incident, the Disciplinary Commissioner shall determine the gravity or otherwise in accordance with the Criminal Code.

x. Deduction of points

On the extreme cases where Disciplinary Commissioner deems it fit to impose a deduction of points on a club, such a deduction shall be made from the points accumulated during the competition in which the offence took place.

Where the competition is a knock out, the club shall have the points deducted from the subsequent league competition immediately upon commencement of said competition.

xi. Red & Yellow Cards

Any individual shown a red card shall be liable to disciplinary action corresponding to the offence committed as stipulated in this Disciplinary Code.

xii. Appeals

Appeals from decisions taken by the Disciplinary Commissioner or by the Council, as the case may be, on the basis of this Code, shall be heard by the Board of Appeal in accordance with the Board of Appeal (Terms of Reference & Procedure).

xiii. Mistaken Identity

Should it be proven (through video evidence) that the wrong person has been reported, and through the same video evidence it is clear that another athlete is the culprit, then the ASA can file a report or take disciplinary action against such athlete. Should such a report be filed this will not have an effect on the outcome of the match in question.  
*(inserted 13<sup>th</sup> February 2017)*

**DC-A5 REPEAT OFFENDERS**

An individual (not a club) found guilty of more than one offence during the current season shall be deemed to be a repeat offender. The offences need not be the same or similar to each other. For the purpose of this rule, any number of offences committed by the same individual that are included in the same report, shall be considered to be one offence. Similarly, if one offence is reported by several persons then the offence shall be considered to be the same one offence.

For the second, third and any subsequent offence/s, the sanction shall be an additional fine of €100, provided that when the offence is committed in competitions in which only athletes aged 17 years old or younger are eligible to participate, the additional sanction shall not be a fine but a suspension of 1 match.

**DC-A6 AMENDMENTS TO THIS CODE**

This Code may be amended by the Council.

The Council's decision to amend this Code shall also incorporate the date when the amendments are to come into effect.

**DC-A7 OFFENCE CATEGORIES AND CORRESPONDING SANCTIONS**

Table A7 below shall be applied in order to determine sanctions based on the category of offence and the party committing the offence. Offence categories are detailed in subsequent sections of this Code.

In the table:

- The contents of the “Fine” columns stipulate the fines associated with the offence category.
- The contents of the columns “Min Match” and “Max Match” stipulate the minimum and maximum number of matches suspension associated with the offence category. Where the minimum and maximum values are equal, the number of games suspension that shall be imposed is not a variable.
- The contents of the columns “Min Susp” and “Max Susp” stipulate the minimum and maximum periods of suspension from all ASA activities associated with the offence category. Where the minimum and maximum values are equal, the period of suspension from all ASA activities that shall be imposed is not a variable. In these columns, “y” means “year/s”, “m” means “month/s” and “w” means “week/s”.

#### DC-B4 FIGHTING AND/OR DISORDER

In case of general fighting and/or disorder between athletes and/or team officials of different teams, regardless of whether those responsible may be identified or not, the respective clubs shall be sanctioned as stated in Table B4 below.

Table B4 – Fighting and/or Disorder		
Reference	Offence	Sanction
DC-B4-01	Fighting and/or Disorder	Fine between €400 and €1200. If it is established that athletes and/or team officials of one club were responsible for causing the general fighting and/or disorder, such club shall suffer an <u>additional</u> fine amounting to not less than double of what the other club has been fined.

In general, the area where the fighting or disorder started can be used to establish the team responsible for causing the incident. Usually, if the incident takes place on the side of the pool occupied by one particular team, the incident would have been caused by the other team. This is because it can be said that the latter “invaded” the former.

**DC-B5            USE OF INELIGIBLE ATHLETES**

It is an offence for a club, even if in good faith, to use an ineligible athlete in an ASA competition in breach of the Statute, the Competition Rules or any other regulation of the ASA. The applicable sanctions are detailed in Table B5 below.

**DC-B6            DELAYED EVENTS**
